Replacement VIN plates (metal plates riveted to dashboard) may be available from Lexus providing the request meets the criteria listed below.

**NOTE:**
The original plate to be replaced MUST accompany the request.

**NOTE:**
If a plate is stolen, be sure to contact the State Police or your State's Department of Motor Vehicles (DMV). In most cases the State DMV will issue a unique number so that the original number can be included on stolen vehicle listings. If this is the case, a replacement plate is NOT available from Lexus. However, the original VIN, NOT the state issued VIN, must be used on all warranty claims.

To request a replacement plate, complete a copy of the form on the back of this page. Note that the damaged VIN plate MUST accompany the request form. Your dealer parts account will be billed $10.00 for each replacement of a damaged plate.

**NOTE:**
All replacement plates for damaged and/or stolen vehicles are subject to approval by the Technical Compliance Department. If you have any specific questions, contact (310) 468–3390.
